

## War in the Pacific Timeline

25 points

You will be creating a timeline that runs from December 1941 through August or September 1945 that only includes the events from the War in the Pacific. How you decide to create your timeline is completely up to you- just be sure that include all of the required information!

1. Read pages 949-951
2. Take the following events and research the dates, locations, and a brief 2-3 sentence description of the event (number of casualties, impact, and outcome).
  - Bataan Death March
  - Battle of Coral Sea
  - Bombing of Pearl Harbor
  - Bombing of Nagasaki
  - Battle of Midway
  - Bombing of Hiroshima
  - First Atomic Bomb Tested
3. Besides the 7 events given, please research **3** other events that you found interesting from the War in the Pacific to include on your timeline (including 2-3 sentences for these events as well).
4. After you have all of your information you can create your timeline.
5. You will be graded on the quality of information, organization, neatness, grammar/spelling, and descriptions in your own words.
  - a. High quality extra work could be worth 5 extra credit points!
